kberner@mghihp.edu

36 1st Avenue

Boston, MA 02129

EDUCATION

Boston University College of Health and Rehabilitation Sciences: Sargent College, Boston, MA

Post Professional Doctorate in Occupational Therapy

September 2016

Master of Science in Occupational Therapy

January 2005

Bachelor of Science in Human Physiology with a minor in Psychology

May 1999

CERTIFICATION & LICENSURE

- Licensed Occupational Therapist, Massachusetts (lic # 8989)
- Registered Occupational Therapist, National Board of Certification of Occupational Therapists (reg # 1074443)
- Certified Assistive Technology Practitioner (ATP), Rehabilitation Engineering and Assistive Technology Society of North America (RESNA)

ACADEMIC APPOINTMENTS

Assistant Professor

March 2022 – present

Massachusetts General Institute of Health Professions, Boston, MA

- Fulfill academic duties and commitments as full-time faculty in entry level OT doctoral program
- Revise and develop course content and learning assessment in compliance with accreditation standards
- Participate curriculum committee and accreditation activities within OT department
- Faculty advisor to *Coalition of Occupational Therapists Advocating for Diversity* (COTAD) student club
- Chair of the admissions committee for entry level OT doctoral program

Doctoral Project Academic Mentor

May 2017 – January 2024

Department of Occupational Therapy, Boston University, Boston, MA

- Support post-professional students with scholarly work in remote post-professional doctoral program
- Provide feedback and guidance on development of student cumulative doctoral project
- Collaborate remotely with faculty to refine and revise curriculum and program
- Review and appraise professional student application for program admission

Adjunct Faculty Lecturer

September 2009 – May 2022

Department of Occupational Therapy, Boston University, Boston, MA

- Primary instructor for lecture and lab courses in entry level occupational therapy doctoral programs
- Participate in admissions review committee 2019, 2020 and 2021
- Develop course content and learning assessment in compliance with accreditation standards
- Design and advise independent study and graduate assistant experiences

Adjunct Faculty Term Lecturer

July 2020 – March 2022

Massachusetts General Institute of Health Professions, Boston, MA

- Developed and led an elective graduate course on assistive technology
- Develop assignments and objective grading criteria to assess student learning

Adjunct Faculty

September 2017 – December 2017

Department of Occupational Therapy, Regis College, Weston MA

- Developed and led a graduate course on clinical reasoning
- Coordinate interdisciplinary collaboration experiences with other medical professions at Regis College
- Develop assignments and objective grading criteria to assess student learning

Kevin Berner, OT, OTD, OTR, ATP

kberner@mghihp.edu

36 1st Avenue

Boston, MA 02129

OCCUPATIONAL EXPERIENCE & CLINICAL COMPETENCE

Per Diem Occupational Therapist:

The Boston Home, Dorchester MA

December 2012-present

Braintree Rehabilitation Hospital, Braintree, MA

April 2008 – September 2017

- Perform evaluations and implement treatment plans in neurobehavioral physical rehabilitation setting
- Mentor clinical staff to develop skills for assistive technology assessment, implementation and training

Per Diem/Contract Assistive Technology Professional

Easterseals Massachusetts, Worcester MA

November 2022-present

Vinfin Human Services, Cambridge MA

June 2021-present

- Perform assessments, installation, customization and training in the use of Assistive Technology to meet client goals
- Improve capacity and quality of service through staff development and program evaluation

Occupational Therapist & Assistive Technology Professional

March 2019– March 2022

Canton Public Schools, Canton, MA

- Identify supports to promote success for special education students
- Provide consultation to educators to optimize inclusion and classroom participation
- Develop assistive technology consultation initiatives at elementary and middle schools

Senior Assistive Technology Specialist

October 2018 – February 2019

Clinical Supervisor

December 2014 – September 2018

Assistive Technology Specialist

November 2012 – December 2014

Easter Seals Massachusetts, Worcester MA

- Lead interprofessional team of Assistive Technology (AT) Professionals
- Perform assessments, installation, customization and training in the use of Assistive Technology to meet client goals
- Coordinate programs for vocational rehab, post-secondary education & independent living clients with disabilities
- Manage grant funded programs and initiatives including state funded Independent Living AT program
- Improve capacity and quality of service through staff development and program evaluation
- Develop and provide professional education opportunities statewide
- Determine appropriate technology to assist individuals with disabilities to meet their educational, vocational, and independent living goals in the home and at work
- Perform ergonomic assessments to optimize performance and prevent musculoskeletal injury
- Fabricate custom adaptations to improve access to assistive devices
- Create and deliver training seminars and workshops for professional and lay audiences

Occupational Therapist

April 2009 – November 2012

The Boston Home, Dorchester, MA

- Evaluate and treat adults in advanced stages of progressive neurological conditions in long term care setting
- Guide rehabilitation aides in assisting residents in performing home exercise and rehabilitation programs
- Perform assistive technology assessments and training for individuals with a variety of client factors including low vision, perceptual impairments, upper extremity function impairments, and cognitive impairments
- Mentor volunteer and fellowship resources in providing assistive technology support
- Provide staff education on assistive technology setup and positioning device use for specific residents

Occupational Therapist II

April 2008 – March 2009

Massachusetts Hospital School (now *Pappas Rehabilitation Hospital for Children*), Canton, MA

- Directly supervise COTA, rehabilitation aide and OT graduate interns as well as provide mentorship to OTR
- Evaluate and treat children and young adults with neurological conditions in the clinic, residence, and classroom
- Educate staff and monitor compliance with medical and therapy feeding recommendations on an interdisciplinary dysphagia team

Kevin Berner, OT, OTD, OTR, ATP

kberner@mghihp.edu

36 1st Avenue

Boston, MA 02129

OCCUPATIONAL EXPERIENCE & CLINICAL COMPETENCE (continued)

Occupational Therapist

January 2005 – April 2008

Braintree Rehabilitation Hospital Neurobehavioral Rehabilitation Unit, Braintree, MA

- Perform evaluations and implement treatment plans in neurobehavioral physical rehabilitation setting
- Lead team to integrate upper extremity robotics and functional electrical stimulation program
- Lead team of therapists to integrate research protocol for a blinded clinical trial
- Supervise and mentor full time graduate-level occupational therapy interns
- Perform seating assessments and produce letters of medical necessity in outpatient wheelchair clinic

Course Instructor and Student Advisor

December 1999 – June 2004

Boston University *Training for the Future* and *Recovery Center* Programs, Boston, MA

- Develop curricula and instruct classes focusing on life skills, computer competency, and Internet use in a community-based program for adults with psychiatric disabilities
- Supervise and mentor classroom assistants and new staff
- Perform individualized academic advising to support participation in program and career development
- Collaborate with a multidisciplinary team in program development

Website Administrator

December 1998 – June 2004

Boston University Rehabilitation Research and Training Center on Psych Disability, Boston, MA

- Create and maintain a 700+ page Internet site for an internationally recognized mental health organization
- Assist in participant recruitment, data collection, and data analysis for NIDRR funded research projects
- Assist in design and launch of an Internet-based professional development distance-learning program

HONORS AND AWARDS

- Advisor of the Year, MGH Institute of Health Professions, 2022/2023
- Employee Spirit Award, Easter Seals Massachusetts, 2013
- Certificate of Appreciation Award, New England Occupational Therapy Education Council, 2012
- Florence G. Hunter Award, Boston University Occupational Therapy Department, 2004
